Our highly experienced and qualified teachers follow the syllabus and teaching methods of The Imperial School of Teachers of Dance for our core training but offer additional classes in other areas of dance too. Students flourish under the watchful eye of our corps of highly qualified and performance experienced teachers. We are proud to have students continue into prestigious dance schools to further their training and are pleased when they return as members of our teaching faculty.

The Classique School of Dance Ltd caters to all ages and abilities. We enable very young children to enjoy movement and learn the basics of dance; young school aged children to learn to dance and gain poise and confidence; young adults who are looking for a career in dance (we also have GCSE dance classes); serious and professional dancers and adults who want to keep fit, who have always wanted to learn to dance or who used to dance and wish to return. We offer the opportunity to all our students to participate in exams, shows, fetes, pantomimes and festival competitions. We are proud to be an all-inclusive school.

Exams are encouraged to ensure students gain a sense of achievement whilst also acquiring points for their UCAS applications.
